SENATOR DICKINSON: In response to Senator Schmit just now, the Committee can then very well take care of the amendment we're talking about, decide what to adopt and what not to adopt to bring it back to the floor of this Legislature. That what I proposed when this discussion started about an hour ago.

PRESIDENT: Senator Carsten.

SENATOR CARSTEN: Mr. President, members of the body. I believe that, in fairness as the bill now stands, I should ask unanimous consent to withdraw my motion.

PRESIDENT: Is there an objection? Seeing none, it's withdrawn. Here we go back. We're back right where we were. Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature. I do have a motion for adjournment on the desk. However, we do have a resolution, LR 118. I ask that we.... It was introduced yesterday. At this barrier free design.... There is a meeting of these people at 1 o'clock today. I would like for this body to recognize.... "Therefore be it resolved that the Legislature supports the efforts on behalf of the Nebraska handicapped citizens urges the cooperation of all agencies of government both state, local and private enterprise and the news media in support of this campaign and in making appropriate use of the access symbol".

I ask for the adoption of Resolution LR 118.

CLERK: This is found on page 523 of the Legislative Journal.

PRESIDENT: You've heard the motion. The question is the adoption of the Resolution. Record your vote. Have you all voted? Record.

CLERK: 32 ayes, 0 nays.

PRESIDENT: The Resolution passes. I don't know if he's still in the chamber, but Senator ... former Senator Ted Reeves of Central City was here under the South balcony. Senator Reeves, thank you for coming. Glad to have you back again.

CLERK: Mr. President, your Committee on Judiciary, to whom was referred LB 697, instructs me to report the same to the Legislature with the recommendation it be advanced to General File as amended; 718 General File; and 679 indefinitely postponed. Signed, Senator Luedtke, Chairman.

Mr. President, your Committee on Government, Military and Veterans Affairs Committee, to whom was referred LB 689, instructs me to report the same to the Legislature with the recommendation it be advanced to General File as amended.
